

Wolftron, Ms. Luna Grim

Wait out on the sand,
Until the moonlight holds your hands.
There you'll fall in love,
You'll never have to run again.

I can't get enough of this feeling,
Of believing that I'll be the one.
I'll be the one to someday save you.
Lovely, she is my moonlight
I wish I could be hers too.

Wait out in the dark,
Until the moon burns through your heart.
Then you'll find some peace,
You'll never know my name again.

I can't get enough of this feeling,
Of believing that I'll be the one.
I'll be the one to someday save you.
Lovely, you are my moonlight
I wish I could be yours too.

I'll take you from this place straight to the moon.
And I'll throw the anchor oh, just to you.
Lovely, my moonlight maybe on the other side,
I'll learn to love you right.

I can't get enough of this feeling,
Of believing that I'll be the one.
I'll be the one to someday save you..
Lovely, you are my moonlight
I wish I could be yours too.
Lovely, you are my moonlight
I wish I could be yours too.
Lovely, you are my moonlight
I wish I could be yours too
