

World On Edge, Only The Lonely

I'm just sitting here
I'm staring out to you
Are you looking in
Are you wondering too
Who is walking out
Who lends a helping hand
Oh come on, baby
Why can't you understand
(chorus)
That everything I do
I do for you
And everything I say
I say to you
My heart is aching
So look what you've done
Hey girl, you know it's true
Ooooh...Only the lonely
Oh yeah.
Ooooh...Only the lonely
I'm still sitting here
Still staring out to you
Just living life
Like the world wants me to
The people walking by
They're walkin' real slow
They don't really care
They don't wanna know
(chorus)
