

# Worlds Apart, Arnold Schwarzenegger

I try as hard as I can  
To make you see that I care  
But try as hard as I may  
It seems to get me nowhere  
'Cause Arnold Schwarzenegger is in your dreams each night  
Where Arnold Schwarzenegger gets to kiss and hold you tight  
But he couldn't begin to kiss you like I could  
And he couldn't begin to hold you like I would  
And he couldn't begin to love you  
No, he couldn't begin to love you like I do  
I send you flowers to wear  
I bring you records to play  
In spite of all that I do  
You always chase me away  
'Cause Arnold Schwarzenegger is in your dreams each night  
Where Arnold Schwarzenegger gets to kiss and hold you tight  
But he couldn't begin to kiss you like I could  
And he couldn't begin to hold you like I would  
And he couldn't begin to love you  
No, he couldn't begin to love you like I do  
Go to the movies  
Look up at Arnold  
Any old time that's fine  
But here in real life  
Tell me that you'll be mine  
But he couldn't begin to kiss you like I could  
And he couldn't begin to hold you like I would  
And he couldn't begin to love you  
No, he couldn't begin to love you like I do  
But he couldn't begin to kiss you like I could  
And he couldn't begin to hold you like I would  
And he couldn't begin to love you  
No, he couldn't begin to love you like I do  
But he couldn't begin to kiss you  
Couldn't begin to hold you  
And he couldn't begin to love you  
Couldn't begin to touch you - etc.
