

Wreckers, I'm Feeling You

Sometimes I imagine the world without you
But most time I'm just so happy that I ever found you
Its a complicated web
That you weave inside my head
So much pleasure with such pain
We always always stay the same

(Chorus:)

I'm feeling the way you cross my mind
And you save me in the knick of time
I'm riding the highs I'm digging the lows
'cause at least I feel alive
I never faced so many emotional days
But my life is good I'm feeling you
I'm feeling you

You go and then I can finally breath in
'cause baby I know in the end you're never leaving
Well we rarely ever sane
I drive you crazy and you do the same
But your fire fills my soul
And it warms me up like no one knows

(Chorus)
