

Wu-Tang Clan, Jah World

[Junior Reid]

Him speaketh in tongues into the hearts of all flesh

Yeah stanyoi

Who!

[Ghostface Killah]

Oh God, I beg for forgiveness

So help me Lord, yes I beg for forgiveness

Deep in my heart, please, I'm crying for forgiveness

Allah you Akhbar, I fall to my knees for forgiveness

Branded by the steel iron, bullets flying

Ladies being hit through wickedness, I'm losing my grip

I thought we lived by the books, The Bible, Koran

We pick cotton, my back is still hot and dark and

They threw burners in our babies' faces

Pale hands that looked scary touched our bodies in the strangest places

Sweat from the white man's head

Fell on our daughters as she cried, giving white man head, almighty

Alrighty, niggaz is screwing

God won't you tell me why these ho niggaz is screwing?

I'm sorry father, sacrifice me, leave me wife

Sacrifice me twice, so my kids can see paradise...

[Junior Reid]

So we heed our god king sellasie I, jah rastafari

who is seated in zion and reigneth in all

In the hearts of all flesh

Whoa wow

Let my task oh jah with them that strive with me

Fight against them Whoa wow that fight against me

Whoa wow

Take hold thy shield and rock and stand up for my health

Oh jah, oh jah, only you can comfort me

La la la, la la la la, la la la la

La la la whoi stand out

[RZA]

Curse to the wicked snakes who try to snatch the truth away

Cursed be the ones who try to take our youth away

Peace to the black, the brown, the red, yellow, and white seed

We don't discriminate man over color/creed

They tried to snatch up our beats, son, and steal our culture

and German Catholics, whitewashing Roman sculptures

How dare you try to deny Allah's intelligence?

Kidnap the truth, and destroying the black evidence

[Junior Reid]

Glory be to the father
