

Wyclef Jean, Down Lo Ho (Interlude)

(Talent)

Ladies and gentlemen of the jury, this is confirming my earlier allegations that he's a player, and not only do I have the tape, but I'd like to call to the stand my next witness, who ran a whorehouse with Wyclef. Ladies and gentlemen, I call to the stand Down Lo Ho.

(Will)

Hmmhmmhm, I said hmmhmmhmm (2X)

(Talent)

Now Mr. Lo Ho, let's cut the bullshit. Are you and Wyclef partners?

(Will)

Hmm. Fine.

(Talent)

No. I mean, is he financially backing this whorehouse?

(Will)

Hmm. Okay then.

(Talent)

Jesus Christ. Mr. Ho, does he practice this lifestyle?

(Will)

Right. I practice many styles.

(Talent)

Uh, your honor, you know, this is dragging out.

(Will)

Dragon? I'll show you dragon! You think I come into courtroom and don't know what's going on? Try my snake technique!

(Talent)

Uhh! Well, I studied a little snake myself
