

# Wyclef Jean, Whitney Houston Dub Plate

(feat. Whitney Houston)

[Wyclef Jean]

Y'all wanna thank y'all for coming out tonight to see me

Right now put your hands together

for original, original diva, original dub plate

No one can play this but Refugee's on the number 1 tour

Now listen to Miss Whitney Houston (COME WITH IT!)

[Whitney Houston]

Yo, this is Whitney Houston

Yes massive this is the original vocalist

I'd like to say rest in peace to Dennis Brown

If tomorrow is Judgement Day (light is in the air)

And I'm standing on the front line (AIYYO!)

Um, and the Lord asks me what I did with my life

I would say: "Wyclef murdered a sound boy" (YO, HUH!)

If I wake up in World War III

(IF YOU BELIEVE IN THE MOST HIGH

HANDS IN THE AIR!)

I see the destruction in poverty

(EAST COAST, WEST COAST, HEY, HEY!)

And I feel like I wanna go home (SOUTH SIDE!)

It's okay, as long as Wyclef is with me

(North Side, Jamaican, Caribbeanon, Haitian

hands in the air, everybody, hey!)

My love is your dubbing, my dub is your dub

It will take eternity to break us

And the chains of Amistad couldn't hold us (LISTEN TO ME!)

My sound is your sound

Cause the Refugee sound is the only sound

It will take eternity to break us

And a million sound boys will die before us

[Wyclef Jean]

This for the hardcore, before I had the record deal youknowhatl'msayin?

I'ma take y'all back when I was walking down the street

My little girl saying: Yo Clef, that nigga trying to stick with something

Walk over to him and said: Yo..
