X Japan, Standing sex

Lucy in the sky I'm whisky frisky Lady Jane, Marry Jane Drive me rocked out No pain, No delight Get me dry high Number 24 I need X Stand up! Fuck up! Show no mercy Like a lunacy Kick off! Fuck off! I'm getting in the count down Marry Marry Kiss me Marry Why do you have to be ripe? Give me Give me rainy dreams 'Til they kill me away (Lights up) Slash Slash Let me slash **Boredom Tasteless life** Get me Get me out of the world 'cause I'm crying for rainy roses Lucy in the sky Get you up right Crime of visual shock You are X Stand up! Fuck up! Show no mercy Like my jealousy Kick off! Fuck off! I'm getting in the count down Marry Marry Kiss me hurry Why do you have to be ripe? Give me Give me rainy dreams 'Til they kill me away (lights up) Marry Marry Kill me Marry Can't you set me free Lady Lady Are you ready to go? Why do you have to be laying down?
