

# Xiu Xiu, Devendra Banhart - Support Our Troops,

Did you know you were going to shoot  
off the top of a four year old girl's head  
And look across her car-seat down into her skull  
And see into her throat and did you know  
that her dad would say to you,  
&quot;Please sir, can I take her body home?&quot;  
Oh wait, you totally did know... that that would happen  
Cause you're a jock who was too stupid and too greedy  
And too unmotivated to do anything else but still be  
The biggest and still do what other people tell you to do  
You did it to still be a winner

You shot your grenade launcher into peoples' windows and  
Into the doors of peoples' houses  
but you wanted to shoot it into someone  
just to watch them blow up  
why should I care if you get killed?
