Xiu Xiu, Lawrence Liquors

Don't tell me Someone is whispering

Shut up, shut up, shut up Shut up, shut up, shut up Shut up, shut up, shut up Shut up, shut up, shut up

Don't tell me You are not wrinkled Everything is wrinkled Don't tell me Someone is whispering Don't tell me I'm wrong, wrong, wrong But no one is there

Shut up, shut up, shut up Shut up, shut up, shut up Shut up, shut up, shut up Shut up, shut up, shut up
