

Xiu Xiu, Tonite And Today (What Chu' Talkin' 'Bout)

tell me why they hurt you like that
i can't see how you go on

tonite and today
my eyes closed in the club
tonite and today
the smallest kiss in the world
tonite and today
i won't forget it or why

which boys which girls answered your ad
well man it was none of them
when i give in will it be ok
make me see it's my last year
