

XXXTENTACION, A Ghetto Christmas Carol

it's a vibe
feeling right
keep it quiet, got a nigga so
so much ice, fantasize
the city lights got a nigga so
day and night
through the day and night
through the day and night
got a nigga so
day and night
through the day and night
through the day and night
through the day and night
through the day and night

don't crash /2x
ou're moving too fast now
more cash /2x
might throw it on her ass now
bbutterfly on the whip
that's a nigga's doors
all my hoes super thick and don't keep no legs closed
I got stripes like Adidas do
My whip the color of Betelgeuse
Peter pan, Gucci Mane, look at you
Nigga you hatin' like bitches and
nigga war is mijn kipje nou
gon get that shit
these niggas ored, they irrelevant
niggas be watching these niggas be

it's a vibe
feeling right
keep it quiet, got a nigga so
so much ice, fantasize
the city lights got a nigga so
day and night
through the day and night
through the day and night
got a nigga so
day and night
through the day and night
through the day and night
through the day and night
through the day and night
