

# XXXTENTACION, The remedy for a broken heart

Why am I so in love?  
Why am I so in love?  
Why am I so in love?  
I don't know why

Steady tryin' to maintain  
Same things that a blood bitch may frame  
My brain can't fathom what the hate say  
He say, she say, how 'bout me say?  
Get the Visa  
Headed to the islands ASAP  
What's that on my shawty wrist? That's a AP  
I'm the type to save a bitch, C-A-P-E  
Feeling like ET, flying out of the Addy  
Fucking on shawty, she baddie  
Casual convo then at it  
I mean I'm better than better, maybe I'm lying  
I'm sadder than most of y'all with the money and the freedom, nigga  
What is money really worth if it ain't love?  
I'ma find a perfect balance, it's gon' take time  
I heard shawty still in love through the grapevine  
Heard shawty still in love through the grapevine  
Heard shawty in love through the grapevine

Mix a little bit of weed with a little bit of cash  
With a little bit of this, with a little bit of that  
We gon' be all, we gon' be all  
We gon' be all, we gon' be all  
Mix a little bit of weed with a little bit of cash  
With a little bit of this, with a little bit of that  
We gon' be all, we gon' be alright  
We gon' be all, we gon' be all  
Mix a little bit of weed with a little bit of cash  
With a little bit of this, with a little bit of that  
We gon' be all, we gon' be all  
We gon' be alright, we gon' be all  
Mix a little bit of weed with a little bit of cash  
With a little bit of this, with a little bit of that  
We gon' be all, we gon' be all  
We gon' be all, we gon' be all
