X its Paul. Uh, listen, the manager of the 'Crazy Horse' just called me and I didn't even know where the fuck you are. I guess your in Vegas, but apperantly you left the club two nights ago with ten plus girls, and nobodys heard from you, nobodys heard from the girls. So, if you get around to it and you think maby its a good idea, how 'bout you give me a call. Let me know what the fuck is goin on. Thanks.
