

Yall, Hundred Miles (ft. Gabriela Richardson)

Come here and visit my world
Come here and visit my world
Is this three shining stars
Our love is the only way
Don't get lost cause I'm waiting
Summer feelings are waiting,
Boy - you and me is more than a hundred miles
You and me is more than the grey sky
You and me is more than lonely days
It's our time to go
Dance with me one more time!

You and me is more than a hundred miles
You and me is more than the grey sky
You and me is more than lonely days
It's our time to go
Dance with me one more time

Come here and visit my world
