

Yasmeen, Love Is On The Way

Waking up alone
in a room that still reminds me
My heart has got to learn to forget
Starting on my own
With every breath I'm getting stronger
This is not the time for regret
'Cause I don't need to hang on
to heartbreak
When there's so much of life left to live

"chorus"
Love is on the way
On wings of angels
I know it's true, I feel it coming through
Love is on the way
Time is turning the pages
I don't know when
But love will find me again

I am not afraid
Of the mystery of tomorrow
I have found the faith deep within
There's a promise I have made
There's a dream I'm gonna follow
There's another chance to begin
And it's coming as sure as the heavens
I can feel it right here in my heart

(chorus)

(Oh I know, I know down deep
down in my heart I know that....)

(chorus)

I don't know when
But love will find me again....
