

Years & Years, If You're Over Me

it's like thunder lighting
you hurt me without trying
a tempest you was rising
no I don't like to be this way

you're Jekyll and Hyde
are you real or are you lying
so stop with your crying
I can't handle it now

you tell everyone I love went cold
going round
spreading the word that it is over
if that is how you feel, you should go
don't come around saying: I still want you!

one minute you say we're a team
then you're telling me you can't breathe
well, you should set me free
baby, If You're Over Me
yesterday you said I am the one
but now you say All done!
stop telling me what I need
baby, If You're Over Me

there you go, I said it
don't look me all offended
you're playing game, and I ended it
I've got to look out for me
I won't say that it's easy
oh, I know I hate leaving
but you can't keep deceiving
that it make you feel good

you tell everyone I love went cold
going round
spreading the word that it is over
if that is how you feel, you should go
don't come around saying: I still want you!

one minute you say we're a team
then you're telling me you can't breathe
well, you should set me free
baby, If You're Over Me
yesterday you said I am the one
but now you say All done!
stop telling me what I need
baby, If You're Over Me
