

Yellowcard, Live On The Brink

Well i'm on the brink, of something horrible
Just what it is Im not to sure
But I cant take it anymore (round 1 fight)
I cant explain the feeling that I feel,
Im not even sure that theyre for real
Doesnt work to end in sour tales
Go to sleep so I can wake up
Wondering why things are this way
What the fuck did I say?
To make you hate me any way
I'm on the brink, I lost my self control
I didnt think that this would happen to me anymore
Just want to be a babe for once
I cant explain the feelings that I feel,
Im not even sure if theyre for real
Doesnt work to end in sour tales
Go to sleep so I can wake up
Wondering why things are this way
What the fuck did I say?
To make you hate me any way (you lose)
