

Yo Gotti, Rihanna (feat. Young Thug)

I just got me a Rihanna
She love a nigga persona
So used to whippin' Madonna
Cookin' up like Benihana
I give a check to my mama
Then I go flex in designer
I just got me a Rihanna
I just got me a Rihanna
What You Got
Hunnid bands for them bitches
Hunnid rounds for them niggas
Riding foreign like a rental
Sky ain't never been a limit
If she ain't down when I come around
Young nigga ain't fuckin' with her
I just got me a Rihanna
So used to whippin' Madonna

So many watches they think I'm a jeweler
But I'm just obsessed with the time (Obsessed)
When I go so hard like everyday like I'm broke
But I'm just in love with the grind
I started out with a eight
I ended up with a nine
I seen my first hundred thousand
In fives tens and twenties
It fucked up my mind
I had to get me some money
All of my niggas a hunnid
This a sky dweller
It don't have no stones
And this shit a half of a hunnid
I don't got goons I got creatures
Niggas so hungry they eat cha
If the bitch wanna hear that Yo Gotti
Dope boy shit all in her speakers
And I want a brand new Bugatti
So I can pull up on Madonna
And I got that Taylor Swift and that Kylie Jenner and that Hannah Montana
And I got that boy
They call it dog food
I'm tryna eat I want all food
And I got that Katy Perry and Madonna
Bitch better have my money like Rihanna

I just got me a Rihanna
She love a nigga persona
So used to whippin' Madonna
Cookin' up like Benihana
I give a check to my mama
Then I go flex in designer
I just got me a Rihanna
I just got me a Rihanna
What You Got

Hunnid rounds for them niggas
Riding foreign like a rental
Sky ain't never been a limit
If she ain't down when I come around
Young nigga ain't fuckin' with her

Keep the keys like Alicia

Loud pack no reefer
Shots fired I dease
Low number I'll meet
Let's get it
Get me a Rihanna
But I'm a piranha
I eat when I wanna
Got rich on the corner
I got that Al Green
I got Miley Cyrus
Got bricks of Madonna
Twenty two for that thirty six
Cuz the two for my runners
Balenciagas I done them
A mansion for mama
I ain't got shit for a bitch
We only saving the money
We get the tens, the twenties, the fifties
We only saving the hunnids
Know what we do with the ones and fives
Yeah we hit Magic on Monday
I'm tryna knock up Rihanna
I'm tryna take her to mama
I'm tryna run up a check
I'm tryna fuck up the summer

I just got me a Rihanna
She love a nigga persona
So used to whippin Madonna
Cookin' up like Benihana
I give a check to my mama
Then I go flex in designer
I just got me a Rihanna
I just got me a Rihanna

She was there when I had nothing
She kept it loyal forever
She can be spoiled forever
We back to back in the ghost
She keep a real nigga focused
I just got me a Rihanna
She like a nigga persona
She like the fact that I'm thuggin'
And never turn down for nothing
She know I get to the money
She never trip off the money
She my lil' soldier forever
She kept it loyal forever
I just got me a Rihanna
