

Yoko Ono, Make Love, Not War

Make love, not war,
I know you've heard it before.
Make love, not war,
I know you've heard it before.

Love is the answer,
And you know that it's true, oh yeah, oh yeah.

Make love, not war,
I know you've heard it before.
Make love, not war,
I know you've heard it before.

Love is the answer,
And you know that it's true, oh yeah, oh yeah.

Love is the answer,
And you know that it's true, oh yeah, oh yeah.

Make love, not war,
I know you've heard it before.
I want you to make love, not war,
I know you've heard it before.
