

Yoko Ono Plastic Ono Band, Bad Dancer

When your heart is dancing
Your mind is bouncing
Bounce bounce bounce bounce

I'm a bad dancer
A busy bouncer
Never touch the ground
Never make a sound

I'm a tough lover
A sweet pusher
Writing my life with sand
Waiting too see the land

Place your bets
Watch your step
I'm a bad dancer
With no regrets

Break a leg
Cut the thread
I'm a bad dancer
Full speed ahead

I'm a bad dancer
You're a bad dancer
He's a bad dancer
Bad bad bad

I'm a fast mover
A straight shooter
I might bend
To see the end
Never say never
Cause it's never 'never'
