

Yoomii, Here we are

I have never felt like this before
It's like a dream it's like a miracle of life
And I wonder while I feel so high
When I am here, when I am live on stage tonight
And there's a lane without a street
I start to pry that this is real
And in my dreams I call our name
And I feel, that will never be the same again
Here we are, Yoomiii
There's a way and we know, we can wait here
Here we are, Yoomiii
And its more than a dream, just believe it
Here we are, feeling strong
If your heart is wide open, you can't be wrong
Here we are, Yoomiii
We're a part of the dream we are living
All the time I think you, why just be
But it's the music that will make us feeling free
(Ah, oo, yeah)
And I was take my changes, I will try
I will be here to bring new fun and joy tonight
And there's a lane without a street
I start to pry that this is real
And in my dreams I call our name
And I feel, that will never be the same again
Here we are, Yoomiii
There's a way and we know, we can make it
Here we are, Yoomiii
And its more than a dream, just believe it
Here we are, feeling strong
If your heart is wide open, you can't be wrong
Here we are, Yoomiii
We're a part of the dream, we are living
And we know
It will not be easy but will go on
And we know
There's nothing can stop us cause we are strong
Oh yeah
Here we are, Yoomiii
There's a way and we know, we can wait here
Here we are, Yoomiii
And its more than a dream, just believe it
Here we are, feeling strong
If your heart is wide open, you can't be wrong
Here we are, Yoomiii
We're a part of the dream, we are living
Yoomiii
There's a way and we know, we can wait here
Here we are, Yoomiii
And its more than a dream, just believe it
Here we are, feeling strong
If your heart is wide open, you can't be wrong
Here we are, Yoomiii
We're apart of the dream, we are living
