

You me at six, Stay With Me

You've got a lot to say
for the one that walked away.
I give you take,
its the way it's always been

oh how do i know
if i should stay or just go
the bottom line is this way that i'll never know

stay with me
stay with me

you got a lot to say
for the one that pushed me away
i give you take
some things they never change
just change

stay with me
stay with me

never know i could be this way
never know that i could walk away

these things take time to grow
it's been said that time heals wounds
but no, i won't be controlled
and so, this story goes

stay with me
stay with me

never know i could be this way
never know that i could walk away
