

# Young Jeezy & Jay-Z, Put On

(Young Jeezy)

I put on...

The Recession on the way hey but on another note  
Alot of soundin like Young tell 'em register to quote  
See I rolled them back to back like I'm registered to smoke  
Yea I got it on me now but I ain't registered to toke  
I put on for my city and I bought a blue -ghini  
Goddamn it just missed me, shoulda saw me shoulda seen me  
Do me a favor see them haters tell 'em +Picture Me Rollin'+  
Same time watch them Feds take a, pic of me rollin'  
Got a phone call from 'Ye put my -libs on his song  
So 3 million like us goddamn I put 'em on  
I put on for my city yeah billboards everywhere  
See me before your flight land, see me before your bag claim  
Re-up in my city man you better check your bags man  
Shouts out to the Eastside yeah they play them bag games  
Southside boys will fly to your home  
Yeah they play them tag games  
Can't forget that Westside yeah they play them mask games  
How you forget the Northside, Don't know I stay high as hell  
87 stickers too, y'all know I stay fly as hell  
I put on for my city yeah way before the contracts  
Trapstar step back might get you a contact  
Rap star no strap might just get your chain snatched  
Call young brain stacks might just get your chains back  
Call my name in the courtroom put me on blast  
Still shinin' on they ass yeah its Mr. Birthday Bash

(Chorus)

I put on for my city, on, on for my city

I put on for my city, on, on for my city

Put on - Eastside
