

Young Thug, Hot (ft. Gunna & Travis Scott)

every litty
i love what is't hot
turend up the city
I broke off the notch

get some more mills
I keep me a knot
I created history
and made me a lot

he tried to diss me and eneded on Fox
we call them chopstcks
cause they gonna chop
took her out of Follies
cause her pussy pop
I run it like Nike
we got it on lock

cartier eye
I am the bossman in a suit but no tie
I can't be sober
I gotta stay high
pour me some syrup in a Canada Dry
