

Youth Group, Forever Young

Let's dance in style, let's dance for a while
Heaven can wait we're only watching the skies
Hoping for the best but expecting the worst
Are you gonna drop the bomb or not?

Let us die on let us live forever
Don't have the power but we never say never
Sitting in the sandpit, life is a short trip
Music's for the sad man

Can you imagine when this race is run?
Turn our golden faces into the sun
Praising our leaders, getting in tune
The music's played by the mad man

Forever young, I want to be forever young
Do you really want to live forever?
Forever, forever
Forever young, I want to be forever young
Do you really want to live forever?
Forever, forever

Some are like water, Some are like the heat
Some are melodies, Some are the beat
Sooner or later they'll all be gone
Why don't they stay young?
It's hard to get old without a cause
I don't want to perish like a fading horse
Youth is like diamonds in the sun,
And diamonds are for-ever
So many adventures couldn't happen today
So many songs that we forgot to play
So many dreams swingin out in the blue
We'd let them come true

Forever young, I want to be forever young
Do you really want to live forever?
Forever, forever
Forever young, I want to be forever young
Do you really want to live forever?
Forever, forever

Forever young, I want to be forever young
Do you really want to live forever?
Forever, forever
Forever young, I want to be forever young
Do you really want to live forever?
Forever...
