

# Yu-Gi-Oh, No Matter What (Music To Duel By)

How'd it come to this  
After all we've been through  
Two of a pair  
Now on opposite sides

From the very start  
With honor we've Dueled  
Watched each other's back and we battled with pride  
We are closer than brothers  
And now we have to fight each other  
And we trust our fate to the Heart of the Cards

(Chorus)  
No matter what  
We'll let the games begin  
No matter what  
May the best player win  
No matter what  
We're in this together  
No matter what  
We'll be friends forever  
No matter what

It's been you and me  
Hangin out, playing games  
Didn't ever think it would get this hard

Time's running out  
And there's so much at stake  
Everything riding on the turn of a card  
We'll show em what we're made of  
As we fight for the ones we love  
And we'll be friends to the very end

(Chorus)  
No matter what  
We'll let the games begin  
No matter what  
May the best player win  
No matter what  
We're in this together  
No matter what  
We'll be friends forever  
No matter what  
YEAH!

I don't wanna give up  
But I will never give in  
Don't wanna Duel with my very best friend  
I could throw at one match  
Every win, every play  
But with so much at stake  
I just can't walk away  
Though I need a victory  
You always meant the world to me  
And that's one thing that will never change

(Chorus x2)  
No matter what  
We'll let the games begin  
No matter what  
May the best player win

No matter what  
We're in this together  
No matter what  
We'll be friends forever

NO MATTER WHAT!
