

# Yung Bleu, As The World Turn

As the world turn  
Imma keep countin' this muthafuckin' money  
Imma keep runnin' it up  
Al Geno on the track  
As the world turn

Imma light this spliff up as the world turn  
Roll it and get lit and watch the world turn  
Imma drop the heat and watch the world turn  
Fuck another freak and watch the world turn  
Imma clutch this pistol as the world turn  
Imma hug my nigga while the world turn  
Imma run this shit up as the world turn  
Make sure I don't switch up as the world turn

Talkin' 'bout you'll slap me nigga keep wishin'  
You a pussy ass nigga and your panties all pissy  
Got a couple pennies ain't nobody wanna listen  
[?] on a mission  
Don't no niggas see your vision  
Had to get a couple bags make them bitches pay attention  
Got a baby Mac hundred rounds with extention  
You don't fuck with 1K  
[?] life kitchen  
I just got a shoebox full of frankilns and benjies  
I just heard! A couple niggas wanna off me  
Put some blood stains in my Louis V white tee  
Tic-tac-toe tag a nigga, nigga crossed me  
Nigga fuckin with the other side and he lost me  
Youn can't even look me in my eyes when you cross me  
Love will get you killed, yeah thought that's what you told me  
I just want the money I can't let these niggas [?] me  
I just want the money I can't let these niggas [?] me

Imma light this spliff up as the world turn  
Roll it and get lit and watch the world turn  
Imma drop the heat and watch the world turn  
Fuck another freak and watch the world turn  
Imma clutch this pistol as the world turn  
Imma hug my nigga while the world turn  
Imma run this shit up as the world turn  
Make sure I don't switch up as the world turn

You don't know the pain of a young street nigga  
Got my pistol in the shower I can't go to sleep nigga  
Load it up and cock it we got heavy beef nigga  
Leave your feelings in the house 'fore you hit the streets nigga  
Turn you into a memory before you bury me nigga  
Its a dirty dirty game have some [?] witcha  
You won't catch me slippin out in these cleats nigga  
I got family who really really need me nigga  
Picture me in a two-seater  
Ridin' with a muthafuckin' heater with a body in the freezer  
Word around town say the feds got a warrant  
Caught my nigga with a brick and he done turned into informant  
Hustlin' when it's stormin' with that heat under my garment  
They say im a [?] but they gon' get disappointed  
If I spaz out stack it up and pull a whole bag out  
Had to switch location they done ran up in my stash house

Imma light this spliff up as the world turn  
Roll it and get lit and watch the world turn  
Imma drop the heat and watch the world turn  
Fuck another freak and watch the world turn

Imma clutch this pistol as the world turn  
Imma hug my nigga while the world turn  
Imma run this shit up as the world turn  
Make sure I don't switch up as the world turn

Imma run this shit up as the world (as the world turn)  
Imma run this shit up as the world (as the world turn)  
Imma run this shit up as the world turn  
Imma run this shit up as the world turn  
Imma run this shit up as the world

We gon' get money until the end nigga  
We gon' stack this shit up  
We gon' make these fuckin' moves  
We gon' do what these niggas not doing  
We gon' do this shit right  
I see you niggas watchin' I see you niggas  
I see you niggas writing down what you see nigga  
Yeah, we the blueprint nigga  
We showed you niggas how to get right  
And we showed you niggas how do this shit right  
A lot of you niggas ain't doin' this shit right  
A lot of you niggas gon' need some more culture  
Yeah, we gon' keep puttin' on, we gon' keep showin' niggas how to do this shit right  
It's Bleu nigga  
Investments 3  
Yeah
