

# Yung Bleu, Fuck Me Crazy

Don't talk, just fuck me crazy  
Don't talk, just fuck me crazy  
Never treat you like no basic  
Never treat you like no basic  
You know our love came  
She makin' love, she makin' love, she makin' love faces  
Don't talk, just fuck me crazy  
Don't talk, just fuck me crazy  
Never treat you like no basic

You know our love came, hey  
She makin' love, she makin' love, she makin' love faces

Ain't no conversation, that lil pussy got me racin'  
Fuck me in the car, look back to see the kinky spaceship  
Put that ass on me, I'm tryna fuck you in rotation

Never too much talkin', I want head soon as I walk in, yeah  
I can't go raw in, fuck me like I'm your man

(Never too much...)
