

Yung Lean, Boylife in EU

touch me, go on, feel me
heel me,
like you would care for me
touch me
decompose me
heal me
don't you want to see the real me?
thrill me
kill the real me
thrill me
you by my side
but ae you real whit me?

walk these streets
till there's blood my feer
walk these streets

boylife in UE
boylife in UE
boylife in UE
can't feel my heart
decompose me
decompose me

pretend thet everything is well
that we well meet again
do you want to meet me again
pretend this dream will never end
some things can't be unsaid
awake, awake

boylife in UE
boylife in UE
boylife in UE
can't feel my heart
decompose me
decompose me
