

Yung Lean, God Only Knows

[Intro]

Tell me why I wanna die when I, uh

[Hook]

God only knows what I might do
God only knows what I might do
I don't fuck with god, I'm my own proof (SBE!)
God only knows what I might do (Leandoer!)
Take two of these, I feel like Goku (Like Goku!)
Eyes Chinese when I roll through (Skr, skrt, skrt!)
Mixing medication up, no tofu
I'm soul-less, my soul loose

[Verse 1]

Take two of these, I feel like Goku
My eyes Chinese when I roll through
Where the fuck my soul at? I need soul food
I gotta run for my life, I can't hold you
If you want me to know, I can show you
6 inches on my sword, I feel like Kung-Fu
(Ooh sleep, Ooh sleep, I don't give a fuck, my pills look like scooby-doo)
I don't give a fuck (SBE)
I blow my mind up in pieces
Wish I never lived in this secret
Ay I'm me, I'm me, I'm free bitch
Nothing ever comes for free bitch
I can't even count to three bitch
If you wanna tell me what the fuck to do
I don't fuck with you
How many times I gotta prove to myself what I do?
My gadgets they be waterproof
I'm stuntin' on my exes
See me out in Texas, riding in the Lexus
I call that "Texas Reckless"
Candy coloured painted necklace, on my face
Flamingos rushing if you wanna take a chase
I run fast bitch
R-R-Run

[Hook]

God only knows what I might do
God only knows what I might do
I don't fuck with god, I'm my own proof
Take two of these, I feel like Goku
Eyes Chinese when I roll through
Mixing medication up, no tofu
Where the fuck my soul? My soul loose
6 inches on my sword, I feel like Kung-Fu
Take two of these, I feel like Goku

[Verse 2]

I feel like Goku, like GG Allin
Don't be fucking up my fun
Pink skies, fuck life bitch, you know I'm fucked
I'm smoking purple snakes, I'll never be done
Got a stun gun
Making songs like it's my last one
Tryna get this cash, you know it's coming, son
61 sum, never done, never done
Chain made Swiss lace
A bow and arrow when I come through
Mirror antique, I'm not looking like you
And I don't work for you
I don't do nothing for you, I do it for me-e-e-e

I'm smoking lavender
Like Swiss caliper
You know my birdies purr, yeah
I got a pink fur on my girl
You know I don't go with her
Got pearls on my necklace
I be stuntin'
Lil bitch
