

# YUNGBLUD, acting like that (feat. Machine Gun Kelly)

- yo, kel's brother, how are you?  
- good dog, how are you?  
- yeah, i am good man, we've been on a mad one for days  
- same, i miss you man,  
- i miss you too  
- oh shit, zombies man, gotta go  
- holy fuck

Who's that knocking at 4 in the morning  
Cause i don't rain but tonight is pourin  
You like it more when i ignore it  
And since i left LA  
Got boring  
(Since i've been gone)  
I am back on my bullshit  
You 're a libra  
I am a Taurus  
Heard you hooked back up on my doorstep

You're way too hot to be acting like that  
acting like that  
acting like that  
You're way too hot to be acting like that  
acting like that  
acting like that

i don;t wam to talk right now  
you're asleep outside my house  
You're way too hot to be acting like that  
acting like that  
acting like that

i heard it today  
you got on a plane to another state  
i think i am ok  
never gonna change my mind  
never gonna change my mind

and i don;t think today  
is teh last time that  
the bright light hit teh dark side  
never gonna change my mind  
never gonna change my mind

now i can't sleep i am all alone  
and whan twe reapead is what we've sown  
se can we meet somewhere in the middle

You're way too hot to be acting like that  
acting like that  
acting like that  
You're way too hot to be acting like that  
acting like that  
acting like that

i don;t wam to talk right now  
you're asleep outside my house  
You're way too hot to be acting like that  
acting like that  
acting like that
