

# YUNGBLUD, god save me, but don't drown me o

Calm me down, before i go sleep  
Caus i don't know where i  
Ve just been  
And the morning seems so far away  
And the drugs just hit  
So i am wide awake

Not gonna waste my life  
Cause i've been fucked up  
Cause it doesn't matter  
So waste my time  
And God save all of us  
And the walls, they'll shatter  
And i won't let my insecurities define who i am , i am  
Not gonna waste my life  
Cause i've been fucked up  
Cause it doesn't matter

Take a breathe and try to think straight  
Cause there's so much pressure on my fucking brain  
And my bloods runs thin cause i am off my face  
And my shouldres weigh more than i can take  
I can't fucking take it

Not gonna waste my life  
Cause i've been fucked up  
Cause it doesn't matter  
So waste my time  
And God save all of us  
And the walls, they'll shatter  
And i won't let my insecurities define who i am , i am  
Not gonna waste my life  
Cause i've been fucked up  
Cause it doesn't matter
