YUNGBLUD, god save me, but don't drown me o

Calm me down, before i go sleep Caus i don't know where i Ve just been And the morning seems so far away And the drugs just hit So i am wide awake

Not gonna waste my life
Cause i've been fucked up
Cause it doesn't matter
So waste my time
And God save all of us
And the walls, they'll shatter
And i won't let my insecurities define who i am , i am
Not gonna waste my life
Cause i've been fucked up
Cause it doesn't matter

Take a breathe and try to think straight Cause there's so much pressure on my fucking brain And my bloods runs thin cause i am off my face And my shouldres weigh more than i can take I can't fucking take it

Not gonna waste my life
Cause i've been fucked up
Cause it doesn't matter
So waste my time
And God save all of us
And the walls, they'll shatter
And i won't let my insecurities define who i am , i am
Not gonna waste my life
Cause i've been fucked up
Cause it doesn't matter
