

YUNGBLUD, LOWLIFE

Utwór 'LOWLIFE' to nowy singiel od LOWLIFE. Premiera zapowiadana jest na 7 czerwca 2023r.

I'm not gonna go out today
I wanna sit right here and wish the world away,
Cause I'm a lowlife, lowlife
I don't care if the people stare,
I'm gonna stay right here in my underwear
Cause I'm a lowlife, lowlife

You know I get embarrassed most of the day
When I'm walking round Camden with a smirk on my face
Put my hand in my pocket to find some change
Buy a bottle of gin to get the memories erased
Cause you know what, life is extremely divisive
It's a fraudulent razor for you to trim your sides with

Young, dumb, living off mum
That's a line from a friend I thought I should bum
Now all the words are my own, but I don't want you to judge
I thought inspiration was all about fun life's been eating me up,
It's poisoned my cup
And if I leave the house I'll get hit by a truck

I'm not gonna go out today
I wanna sit right here and wish the world away,
Cause I'm a lowlife, lowlife
I don't care if the people stare,
I'm gonna stay right here in my underwear
Cause I'm a lowlife, lowlife

In the world of normal people I'm a monkey
It's painted on their faces that they think I'm a junkie
In the way that I dress
The people I bed
The way I express
The things in my head

I don't go to the bar
I sit in the dark
I smoke a cigar
I play the guitar
I stay in my house
I put on my sounds
The neighbours tell me to turn it down so

I'm not gonna go out today
I wanna sit right here and wish the world away,
Cause I'm a lowlife, lowlife
I don't care if the people stare,
I'm gonna stay right here in my underwear
Cause I'm a lowlife, lowlife

People come, people go
People high, people low
People stay, people change
People lie, people don't

I don't fulfill my potential, cause everyone around me is so self-referential (wanker)
Hypocritical maybe, a petulant baby
Wah wah wah shut up you're driving me crazy
Call me a low life? That shit don't phase me I'm alright on my own,
I don't need you to save me
