

Zac Brown Band, The Wind

30 thousand feet above
The city where I fell in love with you
And the fading country skyline
Brings an urban lullaby
That still rings two

When I passed you on the street that day
Shoulda let that rest gon? fly away
Like any chance I had of kee?ing you
Like the Northern Wind that blowin?
Yeah my lonely heart is frozen
Never knew I?d find a way to break yours too

Where the wind blows baby
You can bet
I?ll be riding high within
Holding on for my midlife
Like I always do

Close your eyes babe
Take a breath, say my name
And I?ll be there
My love will find you anywhere
Anywhere my love

The city lights will light the country sky
We?re staring at the stars in u?side down
I wish I may, I wish I might
Find it in your heart to stick around
I hate it had to end this way
Tomorrow is a brand new day
And the chances of seeing love
Are precious few
If someone?s out there waiting
For a sweet good time and let me
To make you smile like I always do

Where the wind blows baby
You can bet
I?ll be riding high within
Holding on for my midlife
Like I always do

Close your eyes babe
Take a breath, say my name
And I?ll be there
My love will find you anywhere
Anywhere my love

So I found out
Our memories, my lullaby and love won?t lie
It was love done right
You?ll be waiting on the other side
I?m zorbing why, if love don?t lie
Lie, you can fly

Where the wind blows baby
You can bet
I?ll be riding high within
Holding on for my midlife
Like I always do

Close your eyes babe
Take a breath, say my name

And I'll be there
My love will find you anywhere
Anywhere my love
