

Zayn Malik & Ingrid Michaelson, To Begin Again

[Verse 1: Ingrid Michaelson]

When the world was ending
I'd hold you in my arms
And we talked about the places we'd never been
When the world was ending
We'd hold on to the past
'Cause it's all we thought that we would ever see

[Pre-Chorus: Ingrid Michaelson]

But then sun came right back
And the birds sang as if nothing had happened

[Chorus: Ingrid Michaelson]

And it's alright, it's okay
We will get another day
To begin again, to begin again, to begin again
I don't know how, I don't know why
But I know that I will try
To begin again, to begin again, to begin again
To live and love and breathe again

[Verse 2: ZAYN]

When the world was ending
We looked up at the sky
And we talked about the last song that we'd play
So far from comprehending
They'd lift us to the stars
Never seen each other from so far away

[Pre-Chorus: ZAYN & Ingrid Michaelson]

But then sun came right back
And the kids played as if nothing had happened

[Chorus: ZAYN, ZAYN & Ingrid Michaelson]

And it's alright, it's okay
We will get another day
To begin again, to begin again, to begin again
I don't know how, I don't know why
But I know that I will try
To begin again, to begin again, to begin
To live and love and breathe again

[Bridge: ZAYN & Ingrid Michaelson]

And cry because I'm happy
And hold my friends like long lost lovers
Be kind to me and love each other
The world keeps spinning on

[Outro: Ingrid Michaelson, ZAYN, Ingrid Michaelson & ZAYN]

And it's alright, it's okay
We will get another day
(Ooh, ooh, ooh, ooh, ooh)
I don't know how, I don't know when
But I do know that we can try
To begin again, to begin again, to begin
To live and love and breathe again
