## Zayn Malik, Pillowtalk

[Zayn]
(Climb on board)
We'll go slow and high-tempo
Light and dark
Hold me hard and mellow...

I'm seeing the pain (seeing the pleasure) Nobody but you, 'body but me, 'body but us Bodies together

I'd love to hold you close, tonight and always I'd love to wake up next to you I'd love to hold you close, tonight and always I'd love to wake up next to you...

So we'll piss off the neighbours In the place that feels the tears The place to lose your fears Yeah, reckless behavior A place that is so pure, so dirty and raw In the bed all day, bed all day, bed all day Fucking you, and fighting on

It's our paradise and it's our war zone... It's our paradise and it's our war zone...

Pillow talk My enemy, my ally Prisoners Then we're free, it's a thin line

I'm seeing the pain, seeing the pleasure Nobody but you, 'body but me, 'body but us Bodies together I'd love to hold you close, tonight and always I'd love to wake up next to you... I'd love to hold you close, tonight and always I'd love to wake up next to you...

So we'll piss off the neighbours
In the place that feels the tears
The place to lose your fears
Yeah, reckless behavior
A place that is so pure, so dirty and raw
In the bed all day, bed all day, bed all day
Fucking you, and fighting on
It's our paradise and it's our war zone
It's our paradise and it's our war zone

Paradise, paradise, paradise, paradise War zone, war zone, war zone, war zone Paradise, paradise, paradise War zone, war zone, war zone

So we'll piss off the neighbours In the place that feels the tears The place to lose your fears Yeah, reckless behavior A place that is so pure, so dirty and raw In the bed all day, bed all day, bed all day Fucking you, and fighting on

It's our paradise and it's our war zone...

It's our paradise and it's our war zone...
