Zayn Malik, Rainberry

Rainberry please you think I'm on my knees but don't you worry I know what you don't know don't even start the truth won't break my heart No don't you worry I already know

too many bones inside your closet you thought you buried deep but they never let me get a minute of peace how do you sleep

Rainberry falling down your blood red lips why are your eyes heavy is there somebody else you missed tell me what's going on before I go too far said Rainberry is there somebody else somebody else now

dry your eyes
cuz it won't work this time
I already dried mine
and I won't drown in yours
go wash your hands
but you can't change your past
those stories ain't shit now
you don't mean it I'm sure

too many bones inside your closet you thought you buried deep but they never let me get a minute of peace how do you sleep

Rainberry falling down your blood red lips why are your eyes heavy is there somebody else you missed tell me what's going on before I go too far said Rainberry is there somebody else somebody else now

Rainberry please Rainberry please
