

Zebrahead, All I Need

Drop the beat!

2 months gone to the day and you were on your way

You said that there was nothing I could say.

But I got the drop on you

I see what you do

I just want to say you run me through

I don't want to let you leave

I don't want to believe that you lied and tried to deceive

I'm not going to be alright

without you.

[Chorus:]

You Are All I Need!

You Are All I Need!

You Are All I Need!

You Are All I Need!

If you're leaving take me with you - J-eah

I don't wanna start something new - J-eah

Life's a maze, I'm lost without you - J-eah, J-eah

I don't wanna take another drink

I don't wanna think

I Just wanna watch you sink with me

Tell me are you free?

Now that you got yourself far away from me

And I feel like I'm on the ground

You're pulling me down

When you're gone I can't touch the ground

Not gonna be alright

Without you

[Chorus]

I never saw the day

I never saw the day

I never saw the day

I never saw the day

I never saw the day

I never saw the day

Take a look back and one day you will see

You were the one that was meant for me

And all the bad seems to fade away with time

When it's all in your mind

And one day when you're face down on the floor

I won't be around anymore

And I won't care then

And I don't care then

You walked out

[Chorus]

[Repeat Justin's vox]
