

Zedd, Clarity (feat. Foxes)

Hot dive into frozen waves where the past comes back to life
If I fear for the selfish pain, it was worth it every time
Hold still right before we crash cause we both know how this ends
A clock ticks 'till it breaks your glass and I drown in you again

Cause you are the piece of me I wish I didn't need
Chasing relentlessly, still fight and I don't know why
If our love is tragedy, why are you my remedy?
If our love's insanity, why are you my clarity?

If our love is tragedy, why are you my remedy?
If our love's insanity, why are you my clarity?

Walk on through a red parade and refuse to make amends
It cuts deep through our ground and makes us forget all common sense
Don't speak as I try to leave cause we both know what we'll choose
If you pulled and I push too deep then I'll fall right back to you

Why are you my clarity?
Why are you my remedy?
Why are you my clarity?
Why are you my remedy?
