

ZieZie, Shawty

When shorty's acting up I know she want something
She want roll with a nigga like me
Tell her take time baby don't rush nothing
Me still love you long time from the night
To the morning, girl keep calling
Yeah, she keep belling up my phone in the morning
Ooh na na na, then we start zoning
Have her part time, you're my full time darling, baby

Slow wine, take time, baby back it up now
She my rollercoaster's going down but now I'm up now
Now I'm making music, OG want say what's up now
Tell 'em bye bye bye, middle fingers up now

When shorty's acting up I know she want something
She want roll with a nigga like me
Tell her take time baby don't rush nothing
Me still love you long time from the night
To the morning, girl keep calling
Yeah, she keep belling up my phone in the morning
Ooh na na na, then we start zoning
Have her part time, you're my full time darling, baby

When shorty's acting up I know she want something
She want roll with a nigga like me
Tell her take time baby don't rush nothing
Me still love you long time from the night
To the morning, girl keep calling
Yeah, she keep belling up my phone in the morning
Ooh na na na, then we start zoning
Have her part time, you're my full time darling, baby

I tell her bruk it set it now she sitting, pause
Control the body motion now she fucking with me
Niggas getting jealous, why they hating on me
'Cause they main tin wanna take a selfie with me
Don't move with other niggas go no nigga no
Ay, man I got 'nough tings, yeah, niggas know
Ay, need a classy ting, you can go to the floor
Pretty little girl, she nuh move like a hoe
Girl take wood, yeah
She love the woody, hit her from the back and me nug face it
South side, south side, where I be, baby
I tell her come through, I ain't balling
Baby one day I'll be balling
Nice life, fast cars, then me ghosting
Nice life, fast cars, then me ghosting
Ay, tell her come come, then me ghosting

When shorty's acting up I know she want something
She want roll with a nigga like me
Tell her take time baby don't rush nothing
Me still love you long time from the night
To the morning, girl keep calling
Yeah, she keep belling up my phone in the morning
Ooh na na na, then we start zoning
Have her part time, you're my full time darling, baby

When shorty's acting up I know she want something
She want roll with a nigga like me
Tell her take time baby don't rush nothing
Me still love you long time from the night
To the morning, girl keep calling
Yeah, she keep belling up my phone in the morning

Ooh na na na, then we start zoning
Have her part time, you're my full time darling, baby

I tell her, baby girl, what you want from me?
She want some loving so she come to me
I hear she want ride with a real nigga
So come roll with a real nigga
I tell her, baby girl, what you want from me?
She want some loving so she come to me
I hear she want ride with a real nigga
So come roll with a real nigga

She got aback and titties that's a double trouble
She a good girl but she bad for the kid
Don't pipe next girl baby run through
Them girl there I ain't into
Slim fit chicks what I'm into
Pretty little face with a brace too
When it's going down
But when it's going down mi tell her
Touch your toes, open and close
Arch for the back now, hold that pose, Lord
Sit upon me cocky, now ride it
A suh me like it, me nah take time, me just pipe it

When shorty's acting up I know she want something
She want roll with a nigga like me
Tell her take time baby don't rush nothing
Me still love you long time from the night
To the morning, girl keep calling
Yeah, she keep belling up my phone in the morning
Ooh na na na, then we start zoning
Have her part time, you're my full time darling, baby

I tell her, baby girl, what you want from me?
She want some loving so she come to me
I hear she want ride with a real nigga
So come roll with a real nigga
