

# Ziggy Marley, Garden

In the garden of righteousness  
Where to weep is to learn  
There the wicked is no contest (No contest)  
We conquer them all

Jah don't spare the rod so the man can't spoil  
Jah don't spare the rod so the man can't spoil

In the garden of wickedness  
You reap what you sow  
There the youths should dare not go  
Remember what you been told

Jah don't spare the rod so the man can't spoil  
(Jah don't spare the rod so the man can't spoil)  
Jah don't spare the rod so the man can't spoil  
(Jah don't spare the rod so the man can't spoil)

In the garden of fruitfulness  
You plant and it grows, yeh  
There death is of no threat  
Life ever flows

Jah don't spare the rod so the man can't spoil  
(Jah don't spare the rod so the man can't spoil)  
Jah don't spare the rod so the man can't spoil  
(Jah don't spare the rod so the man can't spoil)

In the garden of happiness  
Where life is at it's best (Ha, ha, ha, ha)  
Despair is far from near  
I'm free from all material cares

Jah don't spare the rod so the man can't spoil  
(Jah don't spare the rod)  
Jah never spare the rod so the man can't spoil  
(Jah don't spare the rod, Jah don't, Jah don't)

In the garden of righteousness (Ooh, ooh, ooh, ooh)  
Where to weep is to learn  
There the wicked is no contest (No contest)  
We've conquered them all

Jah don't spare the rod so the man can't spoil  
(Jah don't spare the rod so the man can't spoil)  
Jah don't spare the rod so the man can't spoil  
(Jah don't spare the rod so the man can't spoil)

Jah don't spare the rod so the man can't spoil  
(Jah don't spare the rod so the man can't spoil)  
Jah don't spare the rod so the man can't spoil  
(Jah don't spare the rod)

Never spare your rod from me  
(Jah don't spare the rod)  
Never spare your rod from me  
(Jah don't spare the rod so the man can't spoil)

Jah never spare that rod from me  
(Jah don't spare the rod so the man can't spoil)  
I need it desperately now  
Never, never, never
