

Zucchero, Nothing to lose

I got nothing to lose but you
Baby
I've fallen out of control
I got not nothing to lose but you
Save me
It's gonna change tomorrow, saying
I got nothing to lose but you
See me
Just walking a dog in your street
I got nothing to lose but you
Take me
And wipe away this sorrow
I got nothing to lose but now
Nothing to lose but you
I got nothing to lose girl
Nothing to lose but you
I got nothing to lose now
I got nothing to lose but you
I got nothing to lose
I got nothing to lose now
I got nothing to lose but you
Baby
I'm praying can you hear me . . .
I got nothing to lose but you
Nothing
Nothing but you to remember . . . sweet
Everyday I will try to reach you
What can I do
If you still live in my mind
I got nothing to lose but you
Tell me
Then I will not surrender
I got nothing to lose
. . . .
Could it be a bit of my lifetime
Shaking me I'm a believer
It never really came to blows
Just think it's over in no time
Maybe that's how love grows
Who knows
Love grows
