

Zug Izland, Y

Don't ask us Y!
We do the things that we do
Don't ask us Y!
We feel the same as you
Don't ask us Y!
Life can be so damn cruel
Don't ask us Y!
It's all been decided for you

Pure soul first breath is filled with sin
A young child just born quit suffering
A mother's greed, get high, chasin' ghosts again
This will happen over and over again!

Don't ask us Y!
We do the things that we do
Don't ask us Y!
We feel the same as you
Don't ask us Y!
Life can be so damn cruel
Don't ask us Y!
It's all been decided for you

I look into your eyes, I feel your pain, life's insane
I'm gonna do my best to try again and live again
I know we're all the same, we live our lives it's like a game
And still we do it over and over again!

Don't ask us Y!
We do the things that we do
Don't ask us Y!
We feel the same as you
Don't ask us Y!
Life can be so damn cruel
Don't ask us Y!
It's all been decided for you

First communion done, now your life has just begun
Second plot the whole world is looking with a gun
Another child will do it when he's on the run
The vicious circle of life has just begun!

Don't ask us Y!
We do the things that we do!
Don't ask us Y!
We feel the same as you!
Don't ask us Y!
Life can be sooo cruel!
Don't ask us Y!
It's all been decided for you!
Don't ask us Y!
We feel the same as you
Don't ask us Y!
Life can be so damn cruel
Don't ask us Y!
It's all been decided for you
Don't ask us Y!
We do the things that we do
Don't ask us Y!
We feel the same as you
Don't ask us Y!
We feel the same as you
Don't ask us Y!
We feel the same as you

Don't ask us Y!
It's all, yeah, it's all
Don't ask us Y!
It's all decided for you
