

Zulu Winter, Key To My Heart

You, you have the key to my heart
you, you have the key to y heart

Bring you fortune or bring your fame
weed of celebration just feel
kush the wild in that every space
the country you to suit

'cause you, you are the key to my heart that you must..
you, you are the key to my heart that you must..

Saving ..we use all our arms to show you all our arms hand of hand
if you're speaking and choosing freezes
if you're eating sign

'cause you, you are the key to my heart that you must..
you, you are the key to my heart that you must..

you are the key to my heart that you must..
you, you are the key to my heart that you must..
