Zwan, Lyric

here comes my faith to carry me on a faith not ungreat i fight to to stay strong so i stand accused of playing numb i know it is wrong for i give my strength i give my heart take these chains and hold them as ours for i must shine and i will star in a season all mine

a lyric, a time,a crusade, a line one minute, a friend, a road without end a lyric, a time, a crusade, a line one minute, a friend, a road without end

so here is the view i cast about i'm leaving no room for you to get out you'll never get out

Dove, can't you cry without and aside of need. i want new vibes i need you as my way across my life to spend these years create a new thought for i give you strength and offer my heart take these chains and hold them as ours for i'm a star and i will shine in a season all mine
