Zwan, Settle Down

settle down, don't settle down without me, no, no settle down, i'll settle down for good, yeah settle down, i'll settle down around you, yeah, yeah settle down, i'll settle down for sure, yeah

whatever i can do, i will 'cause i'm good like that, yea for seven years, seven days, and seven hours i took my chances, yeah whatever i can do, i will 'cause i want

never lose that feeling never lose that feeling

settle down, i'll settle down around you, yeah, yeah settle down, i'll settle down for good, yeah settle down, don't settle down without me, no, no settle down, i'll settle down for sure, yeah

never lose that feeling never, no, no never lose your feelings never, that's for sure

never lose that feeling never lose that feeling

whatever i can do, i will 'cause i want you, and what i want i get seven years, seven day, seven hours i took my chances, yeah

settle down, don't settle down without me, no, no settle down, i'll settle down for good, yeah settle down, i'll settle down around you, yeah, yeah settle down, i'll settle down for sure, yeah

never lose that feeling never, no, no, no
