

Zyon, American Made

Time crashes by, I only search to destroy to define me, It's just a matter of time, until we
Follow like blind sheep, its not a question of who's right, thats just what defines me, as me...
I am american, I am an alien, I am a man, and that's what defines me...so stay in that line...hide with
I am american, i am an alien, I am a man, and that's what defines me...Keep walking that line...So
I am american, I am an alien, I am a man, and that's what defines me...Made, american made...
