

ZZ Top, Liquor

My baby did a low down dirty thang
My baby turned my mind to mush
She took my liquor
Left me the can to crush

My baby did a low down dirty thang
She had the gangster lean
Lookin' a little flushed
She took my liquor
Left me the can to crush

My baby did a low down dirty thang
My baby turned my mind to mush
She took my liquor
Left me the can to crush

My baby did that low down dirty thang
My baby workin' gangster lean
Lookin' flush
Bitch took my liquor
And left me the motha.... can to crush
